

Kaggle Competition Report Template

Student Information

Name: _____

Roll No: _____

Section: _____

Submission Date: _____

1. Competition Overview

- Competition Name:
- Problem Type:
- Evaluation Metric:
- Brief understanding of the dataset:

2. Data Preprocessing

- Missing values handling
- Encoding techniques
- Feature scaling
- Train-validation split

3. Models Attempted

- Decision Tree
- Naive Bayes
- K-Means as classifier
- Logistic / Linear Regression
- Any advanced models

4. Cross Validation Strategy

- K-Fold details
- LOOCV observations
- Best validation accuracy

5. Failed Attempts and Insights

- Model used

- Accuracy obtained
- Confusion matrix screenshot
- What went wrong?
- What was improved?

6. Final Model Selection

- Best model
- Hyperparameters
- Why selected?

7. Leaderboard Performance

- Kaggle score
- Rank
- Screenshot attached

8. Conclusion and Learnings

- Key insights
- Challenges faced
- Future improvements
